

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

My quality of life is already suffering due to the lack of diversity in media ownership. This is a very tangible feeling that was made even more noticeable when two local radio stations were shut down recently. PLEASE don't make the situation even worse.
